MY GENIUS FORCE FIELD

The Genius Force Field (white area) shows how my 9 Genius Forces unfold.

- Where the white force field opens wide to the outside, I can develop with great self-determination. Here, I can have a strong impact on my environment and on others.
- Where the white force field expands less outwardly, other people can get close to me, influence me and I can perceive their impact on me.
- The orange-colored lines show which aspects are connected and how they function together.

2

MY SPECIFIC TALENTS AND SKILLS

Each individual has talents and skills that have an impact on every work process.
The better I use these talents the more satisfying my work is.

COOPERATIVE CREATIVE POWER

I like to be active and can develop very well in cooperation with others. I make my creative power available to productive and satisfying processes. If something appeals to me, I can bring in my energy very persistently and powerfully.

SOLUTION-ORIENTATION

Because of my solid mastery of basic principles, I can offer practical solutions which benefit many people. I am interested in creating far-reaching and universal solutions.

BUILDING RELATIONSHIPS & TRUST

I am an open and communicative person. I know how to build emotional and intimate relationships with others. This openness creates mutual trust and is also the basis for fruitful work processes.

JUDGMENT FOR OPTIMIZATION

I have the ability to discern what is not optimal yet or where improvements can be made. My critical judgment is the basis for my dissatisfaction with what can still be optimized. Sometimes I appear to be a know-it-all because criticism is not always well-received.
