## MY GENIUS FORCE FIELD

The Genius Force Field (white area) shows how my 9 Genius Forces unfold.

- Where the white force field opens wide to the outside, I can develop with great self-determination. Here, I can have a strong impact on my environment and on others.
- Where the white force field expands less outwardly, other people can get close to me, influence me and I can perceive their impact on me.
- The orange-colored lines show which aspects are connected and how they function together.

## **MY SPECIFIC TALENTS AND SKILLS**

Each individual has talents and skills that have an impact on every work process.  
The better I use these talents the more satisfying my work is.

### **COURAGE TO TRY OUT NOVEL THINGS**

I have the courage to try out novel things in order to make improvements or changes. By doing so, I bring to light what doesn't work. I can cope with errors as these are part of any transformation process. My wealth of experience is the basis of my know-how.

I feel comfortable and can maintain a presence in teams. The right composition of a team is, however, important and determines whether I can unfold and develop in the team.

## 3.3 MY POWERBASE\* (which organizational forces I support)

\*) The Powerbase describes an individual's influence on an organization only through his or her presence. The Powerbase aspects don't reveal personal qualities or skills but shows the involuntary impact of an individual on an organization or on the organizational forces in an organization.
