MY GENIUS FORCE FIELD

The Genius Force Field (white area) shows how my 9 Genius Forces unfold.

- Where the white force field opens wide to the outside, I can develop with great self-determination. Here, I can have a strong impact on my environment and on others.
- Where the white force field expands less outwardly, other people can get close to me, influence me and I can perceive their impact on me.
- The orange-colored lines show which aspects are connected and how they function together.

MY SPECIFIC TALENTS AND SKILLS

Each individual has talents and skills that have an impact on every work process.

The better I use these talents the more satisfying my work is.

COOPERATIVE CREATIVE POWER

I like to be active and can develop very well in cooperation with others. I make my creative power available to productive and satisfying processes. If something appeals to me, I can bring in my energy very persistently and powerfully.

INFLUENCE BY OVERVIEW

I like to observe the world from a bird's eye view in order to achieve an objective overview. From this position I develop my individual skills in the course of my life and can thus become an influential role model for others.

CREATIVE POWER & ATTITUDE

I have the creative power to shape things and drive processes. With my confident attitude I can steer the direction of energy which makes me the focus of every team process.

BUILDING RELATIONSHIPS & TRUST

I am an open and communicative person. I know how to build emotional and intimate relationships with others. This openness creates mutual trust and is also the basis for fruitful work processes.

SENSE OF COMMUNITY & NEGOTIATING SKILL

Fair and balanced interests are important to me. This lends me a special skill for negotiations and contract agreements. I prefer to deal with people that I trust and that have similar values and principles.
