MY GENIUS FORCE FIELD

The Genius Force Field (white area) shows how my 9 Genius Forces unfold.

- Where the white force field opens wide to the outside, I can develop with great self-determination. Here, I can have a strong impact on my environment and on others.
- Where the white force field expands less outwardly, other people can get close to me, influence me and I can perceive their impact on me.
- The orange-colored lines show which aspects are connected and how they function together.

2

MY SPECIFIC TALENTS AND SKILLS

Each individual has talents and skills that have an impact on every work process.
The better I use these talents the more satisfying my work is.

SPECIALIZED ACTION-ORIENTATION

I like to bring in my creative power to productive processes and can tackle things vigorously. However it is important that a task is in line with my talents and skills and that I can realize my full potential in a satisfying manner. I appreciate cooperating with those who I can enthuse with my projects.

ROLE MODEL SKILLS

My authenticity means a lot to me. As I can only become a role model and offer my special talents in the field that suits. By means of my individual devotion, I make new things visible to the world and thus contribute to changes as a lodestar.

INSPIRING IDEAS & STORYTELLING

I have a gift for communicating inspiring ideas and storytelling. I can express myself volubly and rhetorically skilled, thereby inspiring others. This is owed to my natural curiosity and ability to process experiences.

JUDGMENT FOR OPTIMIZATION

I have the ability to discern what is not optimal yet or where improvements can be made. My critical judgment is the basis for my dissatisfaction with what can still be optimized. Sometimes I appear to be a know-it-all because criticism is not always well-received.

SPONTANEITY AND IMPROVISATION SKILL

I can express my intuitive perceptions very spontaneously. That is why I can easily make decisions quickly, if necessary. My improvisation skill enables me to anticipate developments quickly and react to situations in a ready-witted manner.

INTUITIVE VITALITY

I can develop powerfully through the interplay of my intuitive awareness with my strong vitality. This vital strength gives me the opportunity to assert myself even in risky situations and to establish a sense of security among others.

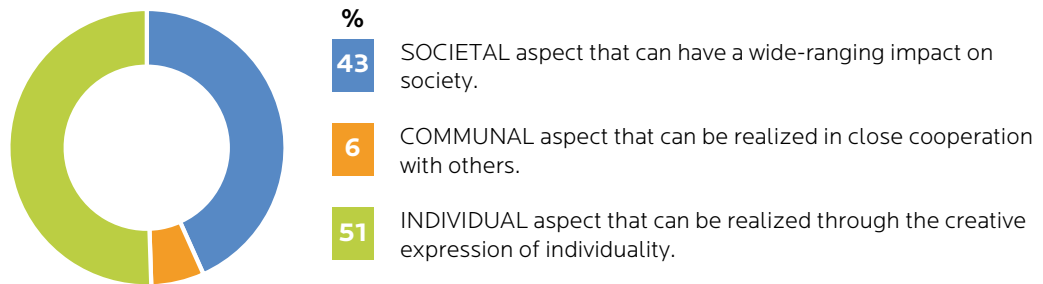

AUTONOMOUS ACTIVITY

My creativity unfolds in almost tireless activity. I love to autonomously devote myself to my tasks and have an impact with the results achieved. When active, I may appear to be very busy and hardly available to others.

"MOVER & SHAKER", effective, activating, implementation-oriented

If team processes or meetings take too long, I may become impatient or occupy myself with something else simultaneously.

3.3 MY POWERBASE* (which organizational forces I support)

*) The Powerbase describes an individual's influence on an organization only through his or her presence. The Powerbase aspects don't reveal personal qualities or skills but shows the involuntary impact of an individual on an organization or on the organizational forces in an organization.
