### MY GENIUS FORCE FIELD

The Genius Force Field (white area) shows how my 9 Genius Forces unfold.

- Where the white force field opens wide to the outside, I can develop with great self-determination. Here, I can have a strong impact on my environment and on others.
- Where the white force field expands less outwardly, other people can get close to me, influence me and I can perceive their impact on me.
- The orange-colored lines show which aspects are connected and how they function together.

## **MY SPECIFIC TALENTS AND SKILLS**

Each individual has talents and skills that have an impact on every work process. The better I use these talents the more satisfying my work is.

### **EMPATHIC COORDINATION**

I am good at understanding people and systems. My gift to guide and coordinate others results from that. In doing so, it is always my goal to support others in their development. I love to comprehend systems and make them thrive.

### **INFLUENCE BY OVERVIEW**

I like to observe the world from a bird's eye view in order to achieve an objective overview. From this position I develop my individual skills in the course of my life and can thus become an influential role model for others.

### **PRODUCTIVE STRUCTURING**

I can explain my individual insights and thus transform existing points of view. I can contribute to the efficient and well-structured use of energy. The increase of productivity in processes is one of my major concerns.

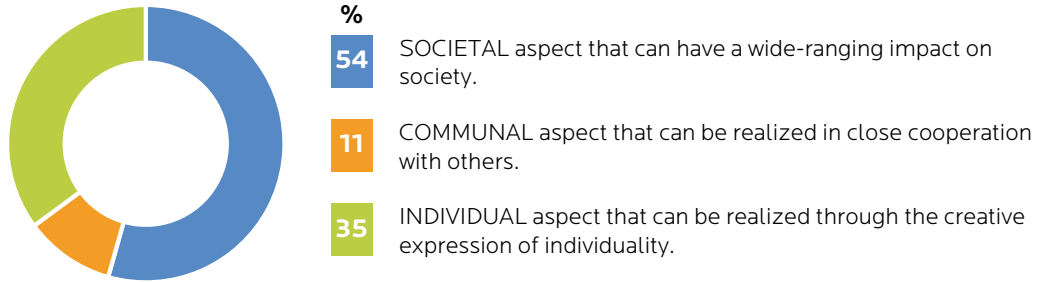

### **HIGH PERCEPTION SKILL**

I am very skilled at perceiving people's nature and goals and can thus respond to them. My qualities and talents unfold powerfully in cooperation with others. I have a good sense of whom I can cooperate with to benefit me.

3.1 HOW I CAN FULFILL MYSELF

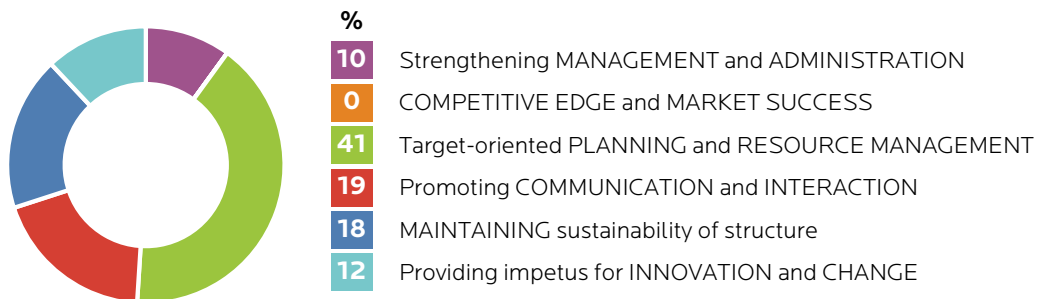

3.2 MY PREFERRED TEAM ROLE

**"COORDINATOR", coordinating, reflective, discerning**

I am rather hesitant when it comes to working in teams, intervening only when I realize that the team is heading in the wrong direction or when productivity or success are at stake. Only then can I incorporate my contributions in my capacity as a coordinator.

3.3 MY POWERBASE\* (which organizational forces I support)

\*) The Powerbase describes an individual's influence on an organization only through his or her presence. The Powerbase aspects don't reveal personal qualities or skills but shows the involuntary impact of an individual on an organization or on the organizational forces in an organization.

4

Depending on certain environments or circumstances, each individual can unfold better or worse. Which conditions are optimal for me is shown here.

How I make decisions is based on the following three components:

#### 5.1 HOW MY MIND WORKS

#### 5.2 THE BASIS FOR MY DECISIONS

#### 5.3 HOW I MAKE DECISIONS

I prefer to discuss decisions with others, both my own decisions and those of others in my role as adviser.

**MY AUTHENTIC LEADERSHIP STYLE**

Each person is a leader in one or other situation. How one is seen by others and how one sees oneself varies in every human being.
